Scholarship Award Amount

The scholarship amount is based upon need. We ask that each applicant prayerfully consider whether God is leading them go on the trip, and if so, the amount of the scholarship that would be needed. Remember that scholarship funds are limited, so we ask each applicant to contribute as much as they are able. **Once you are notified that your scholarship has been accepted, if you have not already done so, it is important that you send in your registration form and deposit as soon as possible to secure your position on the trip (www.TasteTheHoney.org).**

Scholarships will be awarded upon memorization of the Sermon on the Mount teaching (Matthew 5-7). Memorization should be done one full chapter at a time. Memorization may be done in the version of your choice, however the ESV (English Standard Version) is recommended as that is the version primarily used on the trip. Do not memorize verse numbers or section headings.

A staff member of your church, fellowship, mission, or school must verify memorization. Give the **name, position, and e-mail** of the person who will verify your memorization:

It is your responsibility to ensure that the person listed above sends notification of completion of the memorization *prior to the due date of your final payment.*

After prayerful consideration, I believe God is leading me to go on this trip.
